In G.O.No.1509 (P.H.,) Mis.C.dated the 12th., April 1929, the proposal to open the rural dispensary at Kuradi-Hanumapuram (Rayadrug taluk) sanctioned in G.O.No.783 P.H., dated the 31st., March 1929 was approved. But the dispensary has not yet been opened for want of candidates willing to settle themselves in this small village. It is only a hamlet of Kuradi. A persual of the correspondence in this office shows that the District Medical Officer, Bellary recommended first in his letter C.R.No.319/28 dated 18-6-28(copy enclosed) the opening of the dispensary in Kudatani, Uddihal or Rakatla. The latter two are not Unions. Kudatani is a fairly big village with an Union Board and Police and Railway Stations. It is on the road from Bellary to Hospet at a distance of about 12 miles from Bellary. The opening of an allopathic dispensary there will be of immense help to the public.,

of this and its surrounding villages. I would therefore, as originally recommended by the District Medical Officer, Bellary suggest the opening of the fourth rural dispensary in question at Kudatani and request that you will be good enough to obtain the approval of the Government to this revised proposal.

Forwarded. Sanctioning agree with the views of the Special Officer. It is because of the fact that Kammaparam is the headquarters of the President of the Board that it was evidently suggested. It is now seen that there is no dispensary in the village which is desirable. Hence the proposal of the Special Officer is recommended.

The S.G. (with copy of ppl-3 cf) Note. Kudatani was one of the places recommended by the D.M.O in 1928. On the strength of this recommendation the Special Officer proposes to transfer the dispensary at Hanumapuram to Kudatani. As circumstances may have changed since 1928 it seems desirable to consult the S.G. as to the suitability of the place at present. Draft Memo above is for approval
